Hello Mr. Mayor Glenn Troast,

You will recall me from our meeting at your office at last year ending.

I am also aware that our Lawyer has recently sent you a letter (see attached) reminding you of our commitment to the City.

Mr. Mayor, I believe this is a good time to bring our desire **to move the project forward**, together with the City action and **beneficial outcome towards it**.

As you will remember, I have already committed \$150,000 at our meeting, which still stands.

Now, I am prepared to commit a further \$75,000, **making a total of \$225,000**, including all waived fines and satisfactory agreed clauses for both parties.

As you can see, I have only copied you in this email.

Will you please let me know you are satisfied with this, so I can instruct my personnel as you can instruct yours, to proceed with no further delay.

I am looking forward to hearing from you.

Kind Regards,

Mr. Cardoso:

I am in receipt of your proposal concerning the drainage and resolution of the code matters. I will forward this to our city attorney and city administrator to discuss in greater detail. I will respond to after that review is completed.
