Ygrene Traction in Florida

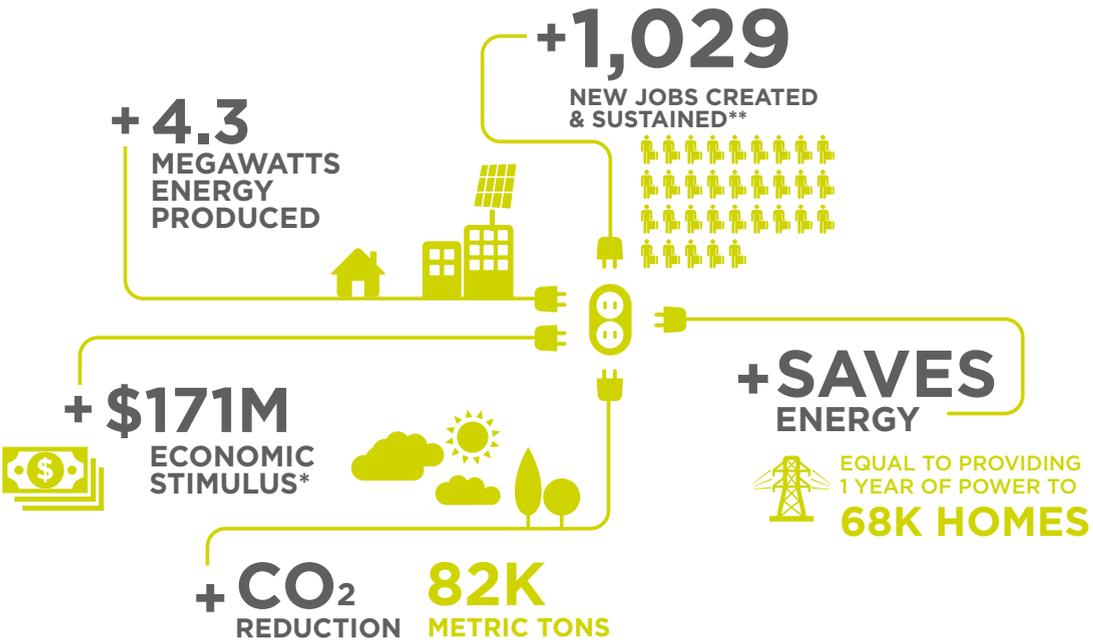

550+ Certified contractor companies

2,700+ Properties benefiting from clean energy upgrades

51 Participating cities/counties

\$69M+ YgreneWorks PACE financing contracts completed

What does \$69,000,000* in completed energy efficiency, renewables and hurricane protection improvements look like?

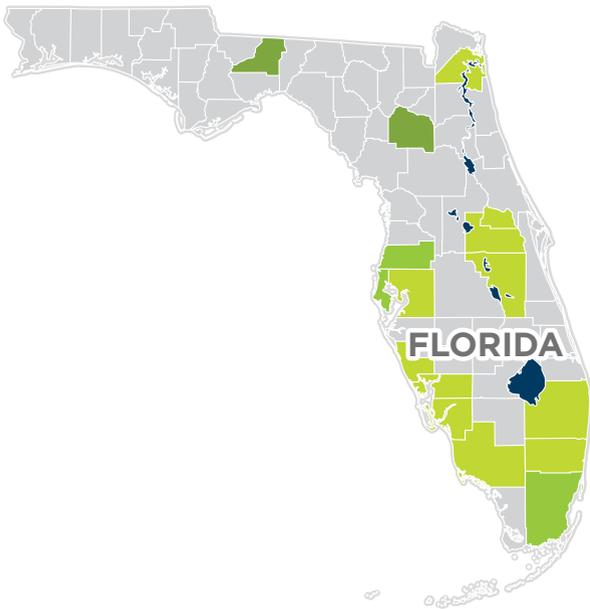

* Represents total dollar amount (rounded to nearest \$100K) of PACE projects completed by Ygrene in Florida as of 5/31/16.

** Estimated annual Economic Impact/Stimulus includes both local impact (e.g., labor costs) as well as manufacturing, distribution, materials, etc., that may occur outside the local economy but that are a part of the national economy.

*** Depending on the improvement, CO₂ reduction and annual job creation may vary.
