## Three Easy Steps!

# YgreneWorks for you

**Q: How will YgreneWorks™ work for me?**

A: Ygrene has partnered with your city or county to provide 100%, no money down PACE financing, called YgreneWorks, that will help you increase the value of your property while saving energy and money.

**Q: What is PACE?**

A: PACE stands for Property Assessed Clean Energy. YgreneWorks is an innovative new financing program that is repaid on your property tax bill and has many advantages over traditional financing.

**Q: Why is making payments on my property tax bill a great idea?**

A: It's a great idea for many reasons. Payments may be tax-deductible, reducing your effective cost and may stay with the property when you move. And depending on when you install your upgrade, you may not have to make a payment for up to 17 months. To learn more, contact a Ygrene Certified Contractor or Ygrene customer service representative.

**Q: How do I qualify?**

A: It's easy. Eligibility is based on the amount of equity in your home, and is not based on your credit score, proof of employment, income, or financial statements. Get preapproved online in minutes.

## Choose from thousands of eligible improvements
