## **PUBLIC NOTICE**

### **Sample Road Bridge Pedestrian Walkway**

Dear Lighthouse Point Resident,

During a routine field inspection the pedestrian walkway portion of the Sample Road Bridge over the Cap Knight Bayou waterway was found to be sagging. The issue is going to be fixed with repairs scheduled to begin on Monday, May 22<sup>nd</sup>, 2017. During the repair work pedestrian traffic over the bridge will be prohibited for safety. The eastbound vehicular traffic thru-lane will be closed during the day with flaggers on hand to direct and maintain traffic safety. Both traffic lanes will be re-opened at the end of each day with no work scheduled for the weekend or the Memorial Day Holiday.

The repair is scheduled to be completed by Wednesday, June 7<sup>th</sup>, 2017 barring any unforeseen issues or weather delays.

Thank you in advance for your understanding and patience during construction of this very important project.

The following are the project contacts for any questions or concerns:

Charles Schramm  
City of Lighthouse Point  
Public Works Director  
954-946-7386
